**Associated Home Care, Inc. of Beverly Announces  
The Opening of Elder Home Options Residences**

Beverly, MA – January 1, 2008

Have you heard about our new concept in elderly housing and home health care? Elder Home Options is an innovative program which will provide a home for older adults who need routine care and assistance as part of their daily lives. The program supports autonomy and individuality while maintaining mobility and cognition. Elder Home Options is a Community Care Partnership between Associated Home Care, North Shore Elder Services, Inc., Elder Service Plan of the North Shore, Inc. and Trigilio Management Group L.L.C.

The first Elder Home Options house opened on July 22, 2007 in West Peabody, MA. Our second home in West Peabody opened in December 2007 and a third home in Peabody opened in January 2008. Please help to make our houses become homes for our residents. For a list of items you may donate, please view our Target Wishlist at <http://www.target.com/gp/registry/2OPIIAHHJLIH>. All donations are fully tax deductible.
